Sports Wreath Design Planner

Plan a game-day wreath for a sport, team-inspired palette, fan cave, porch, gift, or craft-show display.

1. Team and purpose

Sport / team / school _____

Main and secondary team colors _____

Accent or neutral color _____

Season / date _____

Display location _____

Gift, personal use, or for sale _____

2. Select your foundation

- [ ] Frame / work form / grapevine or other base selected
- [ ] Mesh colors and finish selected
- [ ] Ribbon widths, solids, patterns, and theme selected

3. Select the focal point

Sign / centerpiece and measurements _____

Planned focal placement _____

Primary bow location _____

Finished diameter / depth _____

4. Add coordinating details

- [ ] Team-color picks or sprays
- [ ] Sport-inspired ornaments or smaller accents
- [ ] Bow loops and tails
- [ ] Appropriate fasteners, wire, zip ties, and tools
- [ ] Extra labels, tags, care cards, or gift packaging

Layout sketch (place sign, bow, and accent clusters)

5. Supply plan and restock list

Supply or accent	Color / pattern	Qty needed	Own / buy

6. Final design check

- [ ] Repeat main colors so the wreath looks balanced
- [ ] Use enough contrast for focal point and ribbon
- [ ] Keep design suited to its display location
- [ ] Check team-color accuracy in natural light
- [ ] Secure every attachment and inspect sharp ends
- [ ] Photograph completed wreath before packaging

Finished design notes / future variations
